

## Admissions Policy 2022

### **1 Introduction**

- 1.1** The governing body of Warren Farm Primary School applies the regulations on admissions fairly and equally to all those who wish to attend this school. The School Standards and Framework Act 1998 introduced a new framework for school admissions as of September 2000. This policy conforms to the regulations that are set out in that Act and also further explained in the statutory School Admissions Code of Practice and the statutory Appeals Code of Practice.

### **2 Aims and objectives**

- 2.1** We are an inclusive school that welcomes children from all backgrounds and abilities.
- 2.2** All applications will be treated on merit and in a sensitive manner.
- 2.3** The only restriction we place on entry is that of number. If the number of children applying for entry exceeds the places available, we enforce the procedure set out below in order to determine whether a child is accepted or not. It is our wish to allow parents the right to have a place at the school of their choice. However, this is not always possible, due to the excess demand on the school places available.
- 2.4** The level of ability of a child or any special needs that s/he may have plays no part in the admissions policy of this school.

### **3 How parents can apply for their child to be admitted to our school**

- 3.1** As our school is an academy school, the school determines the admission arrangements in agreement with the LEA. Birmingham LEA acts as the 'Admissions Authority' for our school. The regulations for entry to each school, where the Admissions Authority is the LEA, are published each year by the LEA. Parents can receive a copy of these regulations directly from the LEA.
- 3.2** The LEA publishes a composite admissions prospectus each year, which gives information about how parents can apply for a place in the school of their choice. Parents have a right to express a preference for the school of their choice and they should do so on the application form. Expressing a preference does not, in itself, guarantee a place at this school. Application forms can be obtained from the Education Department of the LEA and should be completed by the date stipulated on the forms. The school notifies parents about the school place as soon as all the applications have been considered.
- 3.3** In this area, children enter school in the academic year they become five. There is one admissions date per year, early in September (i.e. at the start of the school year). Therefore, parents who would like their child to be admitted to this school during the year their child is five should ensure that they complete the necessary application which is sent to them by the Local Education authority.

## **4 Admission appeals**

If your child is not offered a child a place at this school, it is because:

- this would “prejudice the provision of efficient education or the efficient use of resources”, e.g. because a particular school may be full;
- because the school’s statutory infant class size limit of 30 has been reached;
- because the child has been permanently excluded from two or more schools and at least one of the exclusions took place after 1 September 1997.

**4.2** If parents wish to appeal against a decision to refuse entry, they can do so by applying to the LEA. Appeals should be addressed to the Admissions and Appeals section. An independent appeals panel then meets to consider all appeals by parents who have been refused a place at our school and who wish to appeal against this decision. An appeals panel’s decision is binding for all parties concerned. If the appeals panel decides that we should admit a child to our school, then we will accept this and continue to do all we can to provide the best education for all the children at our school.

**4.3** The school maintains a waiting list for entry to school at any time other than during Reception. Applications for admission to the Nursery should be directed to the school office.

## **5 The standard number**

**5.1** The standard number is the number of children the school can accommodate. The standard number for our school is **45**. We keep this number under review and the governors will apply to change the number if circumstances allow.

## **6 Infant class size**

**6.1** We teach infant children (aged five to seven) in classes that have a maximum number of 30 children.

## **7 Review**

**7.1** This policy will be reviewed annually with the Admissions Authority in the light of any changed circumstances in our school or the local area.

**Date: 11<sup>th</sup> November 2022**
