ISSUE NO.29

EXCELLENCE IN EVERYTHING

EXCELLENCE IN EVERYTHING-ACHIEVING GREATNESS THAT LASTS A LIFETIME

## Message from Mr Taylor

On Friday this week the school was full of pomp and ceremony with a fantastic day of Coronation celebrations across the school. Children took part in a wide variety of learning and creative tasks and had the opportunity to be taught by different teachers from across the school for each lesson. Friday provided another opportunity for the Warren Farm team of children, teachers and support staff to cement further their already strong commitment to *Excellence in Everything*.

Next week our Year 6 pupils will be sitting their SATs test. Since my appointment as Headteacher at Warren Farm in September, I have been extremely proud of the way in which our eldest children have applied themselves in delivering and demonstrating Excellence in Everything. The time has now come for them to apply all of their skills and knowledge over the course of the week with their SATs tests.

While we want our children to achieve the best that they can, the outcomes of their SATs will not define who they are as an individual. The character of an individual says more about you than a single test result. These tests do not measure your child's character traits such as: Courage, Honesty, Integrity, Respect or Self Discipline - attributes that will undoubtedly set them on a path to achieve greatness into their adult lives. The school community wish them the very best of luck next week. You've got this Year 6!

We continue to make leaps and bounds on a daily basis demonstrating *Excellence in Everything* however there will always be further work to be done - *The day you plant the seed is not the day you eat the fruit!*

Mr Taylor

EVERYBODY IS A GENIUS  
BUT IF YOU JUDGE A FISH  
BY ITS ABILITY TO CLIMB A TREE  
IT WILL LIVE ITS WHOLE LIFE  
BELIEVING THAT IT IS STUPID

- ALBERT EINSTEIN

## DATES FOR YOUR CALENDAR

Tue 9th May	Year 6 SATs Week
Mon 15th May	Year 2 SATs Week
Mon 15th May	Dental Screening
Mon 22nd May	Bikeability week Year 3 and 4

# CORONATION CELEBRATIONS FRIDAY 5TH MAY 2023

On **Friday 5th May** we held our own Coronation celebration day in school, to celebrate the Coronation of His Majesty The King and Her Majesty The Queen Consort. The service will take place at Westminster Abbey on Saturday 6th May, 2023. The Service will be conducted by the Archbishop of Canterbury. The Service will reflect the Monarch's role today and look towards the future, while being rooted in longstanding traditions and pageantry. During the day children took part in a range of activities delivered across the school along with a traditional Fish and Chip lunch. God Save The King!

## ATTENDANCE

At Warren Farm we follow the fastrack process for attendance. When a child's attendance starts to fall below 90% the process is then triggered. It starts with a stage 1 letter which informs the parent that they are falling below 90%. If unauthorised absences continue this can lead to a stage 2 letter - which some parents received earlier in the week. An unauthorised absence is given when the school is provided with no reason for the absence or one that cannot be accepted as a medical appointment, sickness or family circumstances.

At stage 2 the school can offer early help and work alongside the families to identify barriers. We can set targets for improvement and provide emotional support in school. It is important that we support our families increasing their child's attendance before the process needs to be escalated leading to fines.

Being in school everyday helps our children to achieve excellence in everything that they do.

## VR WORKSHOP

On Wednesday 24th May, PrimeVR will be visiting our school to deliver a virtual reality workshop to KS2 pupils. The workshops are a fantastic opportunity to enhance the learning in our wider curriculum subjects: some children will be exploring volcanoes, while others will be finding out more about sustainability. We are really looking forward to bringing our topics to life!

PRIME VR

## BIKEABILITY

Year 3 and 4 are going to be participating in Bikeability cycle training towards the end of this half term. Every child will have the opportunity to practise their bike skills in a playground based, traffic free scenario. This is a great chance for the children to learn to ride or become more confident bike riders. There will be bikes and helmets available to borrow which will be stored in school, however you are welcome to bring your own.

### TERM DATES

#### Summer Term

Starts: Monday 17th April 2023

Finishes: Friday 21st July 2023 at 12:00pm

Half Term: Monday 29th May 2023 - Friday 2nd June 2023

Summer Holiday 2023 commences Monday 24th July 2023

**There will be an additional teacher training day**  
**on Friday 7th July**

**Summer term finishes Friday 21st July at 12:00**

### CHILD OF THE WEEK

NAH	Leia Timmins
RAY	Finley Maddix
RLM	Kenzie Coleman
1CO	Whole class
1/2KT	Theo Lane Harnett
2HM	Kyrah Carter
3CW	Sara Todorova
3/4SK	Oliver Wysocki-Yilmaz
4DN	Thiciane De Andrade
5AG	Karly Tabb
5/6NW	Sam Murchington
6BP	Macey Burke

### SAFEGUARDING

This week's safeguarding focus is child sexual exploitation. This occurs when a group or an individual takes advantage of an imbalance of power to coerce, manipulate or deceive a child or young person under the age of 18 into sexual activity. It is a hidden crime and quite often the victim is groomed by the abuser and therefore does not understand that they are being abused. This abuse can start online and then images or videos can be used to threaten the victim into continuing this relationship. The signs to look out for can include: changes in emotional wellbeing, spending time with older individuals or groups and missing from home or school. To learn more about CSE visit <https://learning.nspcc.org.uk/child-abuse-and-neglect/child-sexual-exploitation#skip-to-content>

### 2HM VISIT TO RAF COSFORD

On Tuesday 3rd May, children in 2HM visited the Royal Air Force Museum in Cosford. They had the opportunity to try on a range of original RAF uniform to develop their knowledge of changing technology in aerial warfare, from the First World War through to the current day. They also had the opportunity to view lots of different aircrafts and learn about flight technology through time. This was another fantastic opportunity for our children to broaden their horizons, knowledge and understanding through hands on experience .

# The life of KING CHARLES III

**1948**  
Charles Windsor is born in Buckingham Palace to proud parents Princess Elizabeth and Prince Philip.

**1952**  
Charles' mother becomes Her Majesty Queen Elizabeth II of England, making him the heir apparent.

**1958**  
Charles is made Prince of Wales but does not have his investiture until 1968, when he is crowned in a televised ceremony.

**1971-76**  
Following in the footsteps of his father, grandfather, and two great-grandfathers, Charles serves in the RAF. After training as a jet pilot, he joins the Royal Navy.

**1982**  
The couple's first child, William, is born in St Mary's Hospital in London – and two years later, Prince Harry is born. Unlike many royal fathers, Charles was present at the birth of both his children.

**1981**  
The prince marries Lady Diana Spencer in a ceremony at St Paul's Cathedral after a five-month engagement.

**1976**  
On leaving the navy, Charles uses his severance pay to set up The Prince's Trust – a charity to help vulnerable young people which is still running today.

**2005**  
Having divorced in 1996, Charles marries his second wife, Camilla Parker Bowles, in a civil ceremony at Windsor Guildhall.

**2022**  
Charles becomes king following the passing of his mother, Queen Elizabeth II. He was the longest serving heir apparent in British history.

**2023**  
Charles is crowned in a ceremony at Westminster Abbey alongside his wife Camilla, becoming the oldest British monarch to ascend to the throne.

## Did you know?...

## GOD SAVE THE KING

Charles was the monarch in waiting for 70 years, overtaking Edward VII who had been heir apparent for 59 years.

Charles is also passionate about architecture. His charity – the Prince's Foundation for the Built Environment – has helped design, construct and refurbish important buildings around the world. This won His Majesty the Driehaus Architecture Prize from the University of Notre Dame.

Charles is a committed environmentalist who has supported campaigns to address climate change. In 2007, he won Harvard University's Global Environmental Citizen Award.

At 73, Charles becomes the oldest British king to be crowned. The previous oldest was William IV, Queen Victoria's uncle, who was 64 at his coronation way back in 1830.
